CAB FRANC
MASTERS

Cabernet Franc in Paso Robles presents a compelling study in regional expression. Differences in elevation, soils, exposure, and coastal influence, alongside decisions in farming, harvest timing, and winemaking, distinguish each producer's interpretation.

At **CabFrancMasters,** that diversity extends from pét-nats and white wines to blends and single-varietal bottlings. Vertical tastings introduce the influence of vintage and age.

Together, these wines invite closer examination of how varietal identity and regional character develop across styles and over time.

Cabernet Franc, 2021 and 2022

$54

Elegant Cabernet Franc, born of Santa Margarita Ranch's cool climate.

Discover a distinctive expression of Cabernet Franc, shaped by the unique terroir of Margarita Vineyard in Santa Margarita Ranch. As the southernmost vineyard in the Paso Robles region, located just 14 miles from the Pacific Ocean, our estate benefits from cool marine air that moves through the Santa Lucia Mountains, creating an extended, steady growing season.

Crafted in the classic style of Bordeaux's Right Bank, this limited-production blend combines 94% Cabernet Franc with 6% Merlot. Aged for 23 months in French oak, it reveals expressive aromas of rose petal, dried cherry, cranberry, and subtle earthy notes. On the palate, vibrant red and blue fruits mingle with hints of toasted oak, graphite, and mint, finishing with fresh acidity, earthy depth, and beautifully structured tannins.

A true reflection of our estate and its remarkable coastal growing conditions, this Cabernet Franc showcases the elegance, complexity, and character that make Santa Margarita Ranch unique.

BRECON ESTATE

Brecon Estate Reserve Cabernet Franc, 2023

$96

Cherry-red, subtly fragrant Cabernet Franc with soft, mid-palate richness.

Typically we'd say, "Shhh... better tiptoe around them." After all, these cantankerous old vines hold five decades of tall stories. Those smooth old rascals grew up regally on their solitary calcareous hilltop, often left alone to do their own thing. However, for some unknown reason, this year they want to party hard with all the other varieties on the ranch, adding extra layers of complexity and vibrancy.

PERSONAL RATE ○○○○○

Brecon Estate Cabernet Franc, 2023

$79

Chic oak, refined tannins, a smooth mid-palate, and red fruit complexity.

When you have the oldest Cabernet Franc vineyard in Paso Robles, there's little point in running around like a headless chook trying to find an alternative with greater tannin or color intensity. You'd be sorely missing the point. The old vines offer far greater complexity and elegance. We see it as our duty to care for these venerable vines and reveal the quality inherent in the vineyard. We relish the challenge each vintage presents.

Radial Umbra, 2021

$125

Extended Bottle-Aged Cabernet Franc Blend

The darkest part of a shadow, the precise ring of darkness at the edge of a total eclipse. But the umbra is also what makes the halo visible. Without the dark, you cannot appreciate the bright. This wine works the same way. The fruit is dark — Cabernet from old vines, dry-farmed and head-trained for decades. But the siliceous shale these vines are rooted in drives an acidity that lights the wine from inside: bright and acid-driven without sacrificing the tannin and structure that give it somewhere to go over ten, twenty, thirty years in the bottle.
